**How old will you be on Sept 1<sup>st</sup>, 2018?**

The answer to this question determines your AGE GROUP for club volleyball purposes

*Example:* If you are currently 12 but turn 13 in July, you are considered "13" for club volleyball and should attend the 13s tryout times

**Ethos Training Facility**  
 901 6<sup>th</sup> Ave S  
 Nashville, TN 37203

\* = **Make-up tryout dates** for those who could not attend the regular tryout time/date. Choosing to attend a make-up date in lieu of a normal tryout date is not encouraged. We really prefer to see all the players side-by-side if possible.
