How old will you be on Sept 1st, 2019?

The answer to this question determines your AGE GROUP for club volleyball purposes

Example: If you are currently 12 but turn 13 in July, you are considered "13" for club volleyball and should attend the 13s tryout times

**** = Make-up tryout dates** for those who could not attend the regular tryout time/date. Choosing to attend a make-up date in lieu of a normal tryout date is not encouraged. We really prefer to see all the players side-by-side if possible.
